Cursillo is for the faithful and is not intended as a means to bring newcomers into the faith.

It is advisable to delay participation in a Cursillo if any current major personal emotional issues are likely to hamper your participation in the Cursillo.

Both partners in a relationship are encouraged to make their Cursillo. The Cursillo experience needs to be shared.

Sponsors should answer any questions about Cursillo as fully as their knowledge and understanding will allow. Sponsors should, wherever possible, provide transport to and from Cursillo. Sponsors should explain, and later provide an introduction, to the post Cursillo programme of Group Reunion and Ultreya.
